

REQUEST FOR NO HERBICIDE IN ROAD DITCH

Otto Township is required to conduct annual noxious weed tours which includes private property. We will send out letters to impacted landowners.

Otto Township mows the roadside ditches twice annually.

Otto Township has elected to spray roadside ditches in the past and will continue to do so as required.

I hereby request that OTTO Township of Otter Tail County not spray the road ditch along my property to control noxious weeds. I understand that the weeds are subject to the Minnesota Noxious Weed Law, Minnesota Statute § 18.75 thru 18.91. I agree to control the noxious weeds in the road ditch to the Township and County's satisfaction by opting out of spraying.

My property is located along _____ street/avenue/road on the _____ (north, south, east, west) side of the road in Section(s) _____ of _____ Township.

I further understand that if the weeds are not controlled, that Otto Township has authority to spray the road ditch after written notice to the landowner.

Dated: _____

Name: _____

Address: _____

Telephone: _____

Return form to:

Otto Township

47308 371st Street

New York Mills, MN 56567
